

Environmental, Health & Safety (EHS) Policy

ISO 14001 & ISO 45001

HABONIM's management is committed to promoting environmental responsibility and ensuring the health and safety of all employees, contractors, and stakeholders, in accordance with ISO 14001 and ISO 45001.

HABONIM is committed to:

Compliance

Meet all applicable legal and other requirements.

Environmental Protection

Prevent pollution, reduce waste, and use resources efficiently.

Health & Safety

Provide safe working conditions, prevent injuries and ill health, and strive to achieve a zero-accident work environment.

Risk Management

Identify hazards, assess risks, and implement controls.

Continual Improvement

Set objectives, monitor performance, and improve EHS outcomes.

Worker Involvement

Encourage participation and reporting of hazards.

Training & Awareness

Ensure employees are competent and aware of EHS requirements.

Management Responsibility

Provide resources and ensure policy implementation, communication, and maintenance.
